

REMARKS

The specification has been amended in accordance with 37 C.F.R. §§1.821 through 1.825 to add the Sequence Listing.

Since the sequences in the Sequence Listing are recited in the application, and since a Sequence Listing was properly filed with the PCT application of which the present application is a National Stage filing, Applicants submit that no new matter is introduced by way of these amendments.

In light of the foregoing amendments to the specification, Applicants submit that the application is now in full compliance with 37 C.F.R. §§1.821 through 1.825.

Should the Examiner have any questions regarding this Response, he or she is encouraged to contact the undersigned.

Respectfully submitted,

Date: April 5, 2010
